

Risk Management

What could cause undesirable outcomes	Strategies to manage casual factors
<p>People & Traffic</p> <ul style="list-style-type: none"> We have both old and young visitors to Kennedy Park as well as school & sports groups & disabled groups. 	<p>People & Traffic</p> <ul style="list-style-type: none"> Care must be taken when moving around the Resort If in Cars, please remember it is shared with pedestrians Speed Limit is 8 km
<p>Areas</p> <ul style="list-style-type: none"> There are restricted areas where the guests cannot go, these areas are usually in the sites and will be roped off Jumping Pillow is only used at individual own risk Swimming Pool is unattended, swimming is at own risk 	<p>Areas</p> <ul style="list-style-type: none"> Please do not enter these areas There are no shoes or sharp objects to be on the Jumping Pillow All children must be supervised at all times, especially in the Swimming Pool
<p>Environment</p> <ul style="list-style-type: none"> Sun Rain. 	<p>Environment</p> <ul style="list-style-type: none"> The sun is very strong in the HB and it is important particularly in the summer months guests wear a hat or have access to sunscreen and a drink The rain will make all areas slippery so extra care will need to be taken.

Emergency Procedure

In the event of an emergency there are Emergency Procedures in all rooms. Please assemble at the grass area beside the Swimming Pool and listen to the Kennedy Park Staff for instruction.
